- Develop and execute integrated, omnichannel marketing strategies across B2B and B2C channels, supporting brand visibility, demand generation, partner acquisition and business growth.
- Independently manage HubSpot CRM operations, including contact and lead management, deal pipeline administration, email marketing, newsletter campaigns, workflow automation, lead segmentation, lead scoring and campaign tracking.
- Execute inbound and outbound B2B lead-generation initiatives through operator prospecting, affiliate outreach, email campaigns and newsletter-led lead capture, qualifying sales-ready opportunities and handing them over to the sales team.
- Develop and execute go-to-market strategies for 14 completed game title launches, coordinating product positioning, market research, creative development, content, PR and affiliate promotions, with six additional titles in the launch pipeline.
- Contribute to expanding the global affiliate network from 18 to 96 live partners through international prospecting, partner acquisition, onboarding and relationship management.
- Conduct international market research and audience analysis to identify high-potential regions, evaluate regional game preferences and develop targeted promotional strategies, including geographic campaign planning for the US market.
- Plan and execute integrated promotional campaigns, including social media initiatives, giveaways, affiliate promotions, newsletters and community engagement activities.
- Develop marketing collateral, including company presentations, sales decks, product brochures, one-pagers, case studies, press releases and business proposals.
- Plan and execute webinars and participate in industry events, including SiGMA New Delhi, to strengthen industry relationships, generate business leads and identify partnership opportunities.
- Build and maintain strategic relationships with operators, affiliates, distribution partners, vendors and other industry stakeholders to support business development and joint promotional opportunities.
- Manage external communications, PR activities, brand messaging and social media initiatives across company channels.
- Analyse campaign performance, affiliate traffic and marketing effectiveness using HubSpot reporting and Claude-assisted analysis to support data-driven decisions and stakeholder updates.

Selected Achievements

- Contributed to expanding the global affiliate network from 18 to 96 live partners.
- Supported 14 completed game launches and six additional titles in the launch pipeline.
- Secured promotional placements and game recognition for Indian Fortune, Street Ratz and FTV Night Club through strategic affiliate partnerships and promotional collaborations.
- Grew the company's newly launched X account to 500+ followers and generated 838+ retweets within its first four days.
- Developed a $1,000 promotional giveaway campaign for What The Fish to strengthen brand awareness, engagement and community participation.
